

EXECUTIVE SUMMARY REPORT

WAUNAKEE SCHOOLS: NEW INTERMEDIATE SCHOOL

Week ending April 22nd, 2016

What's New?

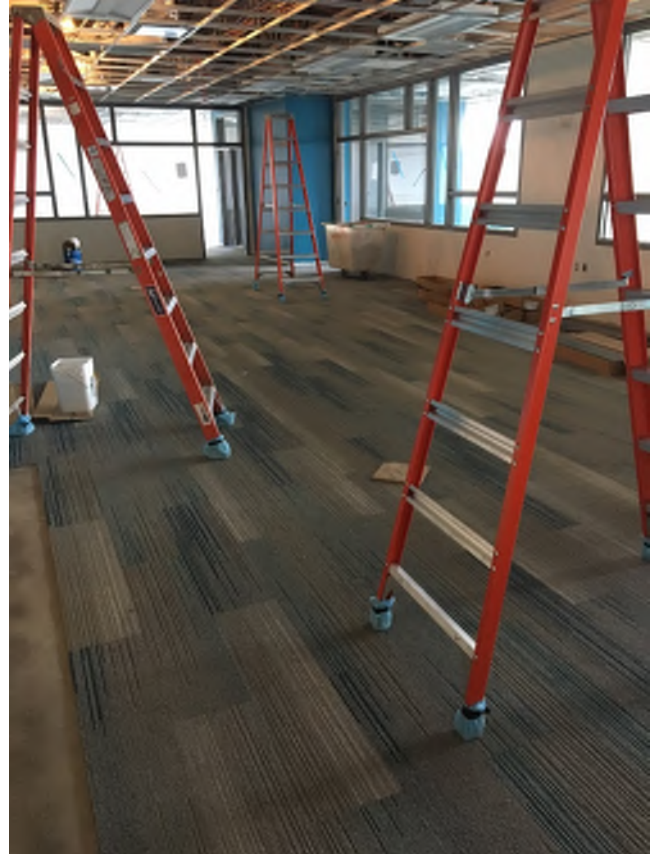

With finishes going in everywhere, we're starting to see glimpses of the finished product at the new Intermediate School. Tile carpeting is being placed in area 2B. Light fixture installation on 2nd floor, both areas. The gymnasium ceiling and the CMU hallways in areas C & D were painted this week. Metal panel along with cast stone and brick veneer installation continues on the building's exterior.

The Past Two Weeks

- Main entrance curtain wall completion
- Metal Panels
- Exterior brick
- Locker Install – 2nd floor
- Resilient Flooring and Carpet at 2nd floor

Coming Up in the Weeks Ahead

- Doors & Hardware – 2nd Floor
- Ceiling tile in area 2B
- Exterior brick wash / cleaning
- Gym equipment install

Tile carpeting has begun on the second floor, area B

Light fixture installation continues on 2nd floor

Prep for carpeting includes spreading adhesive as pictured above

Did you know? Prince's nickname was "skipper" growing up. Prince (or Skipper) wrote his first song, title "Funk Machine," on his father's piano when he was just seven years old. He also loved to play ping-pong. Rest in peace, Prince.

EXECUTIVE SUMMARY REPORT

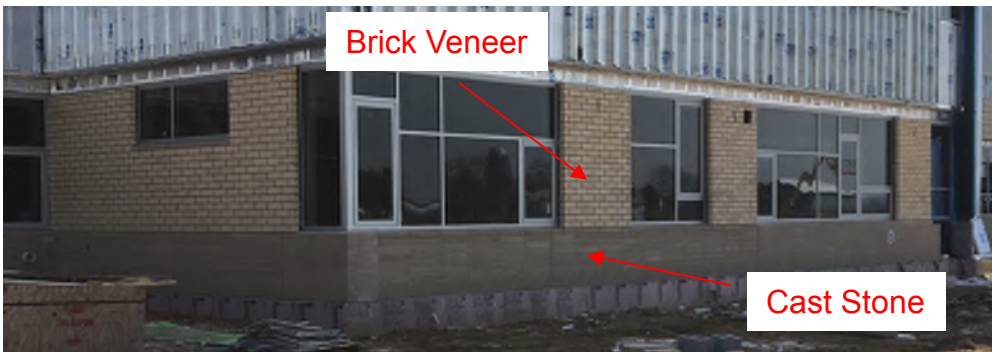

WAUNAKEE SCHOOLS: NEW INTERMEDIATE SCHOOL

Lockers on the 2nd floor are ready for backpacks!

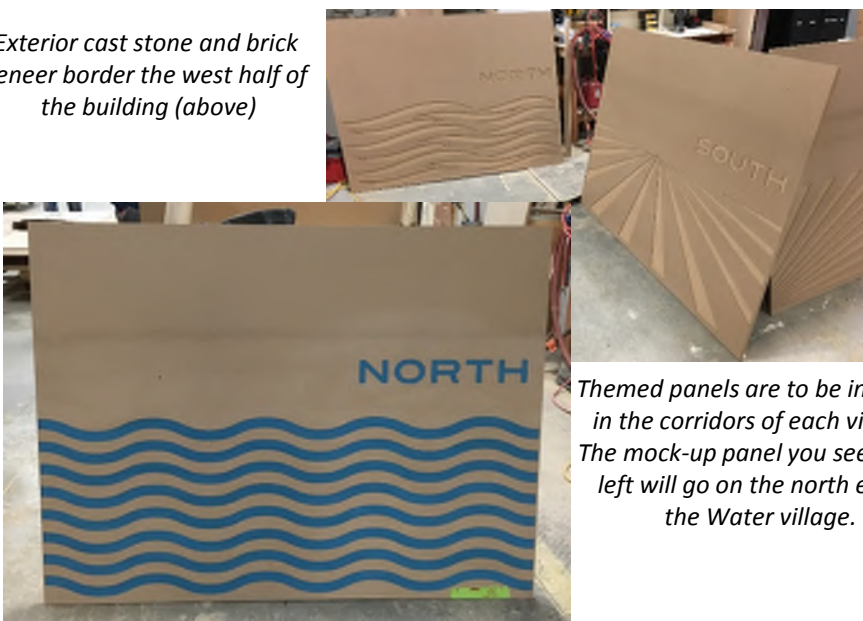

Gym ceiling being painted.

Exterior cast stone and brick veneer border the west half of the building (above)

Silver metal panels placed at the area A mezzanine

Themed panels are to be installed in the corridors of each village. The mock-up panel you see on the left will go on the north end of the Water village.

Giant HVAC duct set in the cafeteria area
