## WAUNAKEE SCHOOLS: HERITAGE ELEMENTARY

JUNE 3, 2016

### What's New?

- Although school is drawing to an end, construction is just beginning! The 14<sup>th</sup> addition to the Heritage Elementary School will begin on June 8<sup>th</sup>. This addition, along with the construction of the new Intermediate school, is allowing Heritage Elementary to have their very own building! Superintendent Mike Novoselac has been prepping the site so that Findorff can hit the ground running when the time comes.

Heritage Elementary students enthusiastically watch the ceremony.

### The Past Week

- Official Groundbreaking Ceremony!
  - Over 100 kids attended the event!
- Prefabrication Work
  - Temporary enclosures
  - Concrete forms
- Low Voltage
  - Ran cable after school hours
- Display Case
- Cleaning, purging, and move prep by Staff.
- Thank you for everyone's hard work to get ready!

Eight happy students help Findorff break ground by removing the Pea Gravel from the existing playground.

### Coming Up in the Week Ahead

- Furniture moves and storage
- Last Day of School
- School Closed for the Summer
- Contractors Will Mobilize
- Construction Office Relocation to Building Interior
- Demolition

The new display case is installed and decorated. Principal Dan Carter shared that fascinated students gathered around the display case and were checking it out after school.

**Did you know?** Contrary to popular belief, Summer vacation was not originally created so that children were able to help out on the farm. In fact, children that needed to help on the farm often attended school during the Summer months but not during the Spring and Fall months when planting and harvesting were taking place. However, children of wealthy families often did not attend school due to the extreme heat, which was how Summer vacation started.

## WAUNAKEE SCHOOLS: PRAIRIE ELEMENTARY

*Globalcom has moved a ceiling tile so that they are able to get a head start on running their cable.*

*Globalcom has moved some material into the school, hard to believe that they are going to use all that cable and then some!*

*Findorff has set up a hard hat area in order to protect all of the people at Heritage Elementary.*
