

EXECUTIVE SUMMARY REPORT

WAUNAKEE SCHOOLS: NEW INTERMEDIATE SCHOOL

Week ending August 13th, 2016

What's New?

Teachers have moved in and the front office is fully functioning. The Social Stairs and display case were both completed this week. Vinyl graphics are going up in corridors, above the social stairs and in the library. Furniture, technology, and equipment is being set. Outside, the landscapers are working on stone paths, rock outcroppings and seeding the medium prairie grass.

The Past Two Weeks

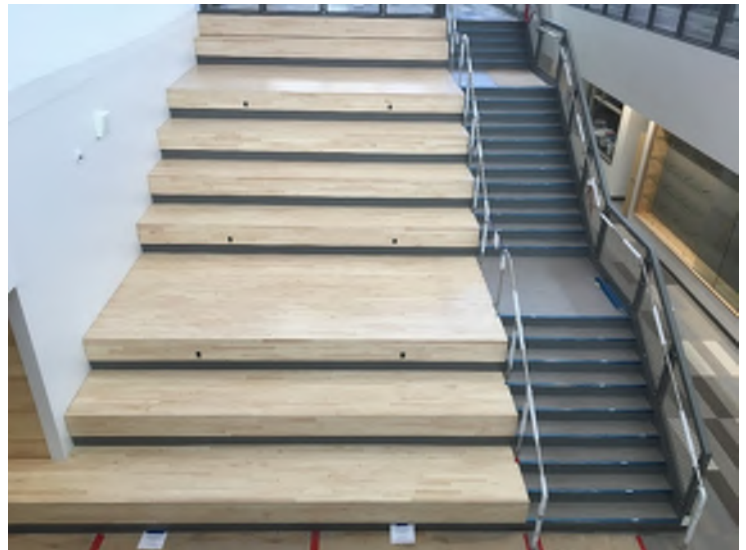

- Social Stair Installation
- Wall graphics and murals
- Finishes in the cardio room
- Display case glazing
- Furniture delivery continues
- Rock outcroppings and paths

The Date Stone is set!

Coming Up in the Weeks Ahead

- Wall graphics and murals complete
- Final Asphalt Paving and Bike Path
- Exterior Signage
- Deliver & Install Roof Vegetation
- Deliver & Install Cardio Equipment
- Acoustical Panels

The social stair is complete! This area will be called the "Terrace".

The cardio room receiving final Waunakee Warrior paint before equipment is installed

The Earth Village – Green. Quotes and Graphics are being installed

Did you know? The photovoltaic solar panels will provide the building with 20 kva of power back to the building. The anticipated payoff in energy savings is 10 years.
