- This is an EXAMPLE of a student schedule. The times classes will be offered during the upcoming school year have not been determined.
- Classes that do not meet daily follow an alternate schedule called “A” or “B” days. For example, Dec.22 was an “A” day, Dec.23 was a “B” day. The next **school** day after winter break was Jan. 2, an “A” day.
- Vocational Exploratory (Tech. Ed. and Family & Consumer Ed.), meets every day for one semester each.
