January 5, 2012

Dear 6th Grade Parents:

We hope you are having a great year thus far. Even though this school year is far from finished, we are already planning for next year. As your son/daughter begins thinking about the transition to 7th grade, the first step will be carefully choosing electives that will support your child now and help prepare him or her for education beyond the middle school.

Enclosed you will find the green “Registration for Electives” form for 2012-2013. Please review the choices together and select the classes based on your child’s strengths and interests. The form should be signed and returned to your child’s current homeroom teacher no later than **Tuesday, January 17th**.

In order to meet curriculum and faculty needs for next school year, elective changes should be carefully planned. Please note that requests for elective changes must be made in writing or via email (mwatson@waunakee.k12.wi.us) by **Friday, April 27th**. We will try to honor schedule change requests; however, because of class size limitations, no guarantees can be made. We ask that no schedule changes be requested after Friday, April 27th.

If you have questions or concerns about elective classes for 7th grade, please call the middle school guidance office at 849-2072, and Missy Watson, Guidance Administrative Assistant, or one of us will assist you. Enjoy the remainder of the school year.

Sincerely,

Janae Grunow
School Counselor
Waunakee Community Middle School
