USA Wrestling: Give Wrestling A Shot Week (Jan 15th-19th)

Hi Wrestling Families,

The Waunakee Wrestling Club is participating in the **USA Wrestling: Give Wrestling A Shot Week (Jan 15th-19th)** with our Monday and Wednesday practice group from 6-7pm. This USA Wrestling Sponsored Program allows athletes to attend practice at a chartered USA Wrestling club without first becoming a member of USA Wrestling. This is a great opportunity for us to reach out and try to recruit new kids to the sport and to our club. Please forward this email to any families of prospective wrestlers that may want to "Give Wrestling A Shot".

Below is the link for the required parent sign-up to enroll their child/children in this free program. This program is obviously open to both boys AND girls!

Warriors Wrestle,
Coach Spear
