

Calling all child scientists to come and participate in **UW-Madison's Learning, Cognition, & Development Lab**

Who?

Preschool and elementary school-aged children

Where?

UW-Madison
Campus Education
Sciences Building

How Long?

Study will last 30-60
minutes

We are conducting studies on how preschool and elementary school-aged children learn science.

Participants will play various memory and science games.

Families will be paid \$10 and parking costs will be reimbursed.

To participate, email us at lcd.lab@education.wisc.edu

This is not a school-sponsored activity and the Waunakee School District does not approve, support, supervise, or endorse this program/activity.
