

Waunakee Community School District
Release of Information
2011-12 School Year

In an effort to prevent identity theft, the Waunakee Community School District Board Policy 347 was recently changed and the School Board has declined to designate any information as directory data. Therefore the district may not release such information without the parent/guardian/adult student's written consent. The only way your child's school may release your child's directory information is by giving consent below, otherwise your child's name will not be allowed in athletic rosters, memory book, class lists, academic recognition lists (e.g., Honor Roll), programs for music shows, etc.,

I hereby give my permission to the Waunakee Community School District to release **directory** information related to my child's, _____, participation in school district sponsored activities. Directory information may include: student's name, photograph, major field of study or grade level, dates of attendance of grade level, participation in officially recognized activities and sports, number, position, weight and height of members of athletic teams, degrees, honors, and awards received, and the name of the most recent school attended. The release may be made through a playbill showing your student's role in a drama production; yearbook or memory book; honor roll or other recognition lists; graduation and other school ceremony programs; news articles and media releases; class, club and organization lists; sports activity sheets showing number, position, weight and height of team members; school district website, school newspaper, public access channel and other district publications. The information and release methods listed do not apply at all grade levels.

This release is only valid for the current school year and a new release must be signed each school year. No information will be released for non-school sponsored reasons, unless the release is required by state or federal laws.

Communication Preference
2011-12 School Year

In an effort to save on the use of paper and printing costs, the Waunakee Community School District would like to continue to move toward more electronic communication with its parents and staff. Please indicate your preference for receiving communications from the district such as handbooks, building and classroom newsletters, etc. Some communications due to their timing and nature may need to be communicated in a manner that is not your preference, but the district will do all it can to honor your preference.

Select one option indicating your preferred method of receiving district communications:

Electronic communication

Paper communication
