1. For safety reasons, only 2 pickup/drop off locations will be permitted (including home) and schedules must be consistent week to week. Varying schedules will not be permitted except in emergencies. Changes in schedule must be approved by the bus company. Allow up to 5 business days for changes to be approved.
2. Childcare providers must be on established routes, and there will be no additional stops or overloading of buses for the purpose of transportation to childcare providers. If the bus fills with students whose homes are on the route, transportation to childcare providers will no longer be available.
3. Transportation fees apply to families when your home is not eligible for busing or when the childcare provider's facility is not eligible for busing. Please see Eligibility/Fee Schedule for details.
4. If a fee is applicable, payment is required with the submission of this form. Refunds will be provided if, upon review, a fee is not applicable. Requests will not be scheduled if a fee is required and not included with the form. If you prefer Online Fee Payment, you must submit your request for this option **no later than Friday, August 11th** to allow time for fee set-up in your child's Infinite Campus account. Refunds will not be provided after service has started. Please see review Fee Scenarios on the reverse side of the Eligibility/Fee Schedule for specific examples of when fees are charged or not.
