

Community Character Award Nominations

At the November 5, Friday assembly, I will encourage students to look for the traits we talk about each day that show good character (respect, responsibility, honesty, caring, etc.) within the community. I will challenge them to write a nomination for someone in the community who has demonstrated those characteristics. Some suggestions might be; professional occupations, coaches, church members, neighbors, and mentors, etc. Please help us with this effort and encourage your child to nominate an outstanding individual in their life. Nominations can be turned in to Mrs. Hetzel any time during the school year.
