

EXECUTIVE SUMMARY REPORT

WAUNAKEE SCHOOLS: NEW INTERMEDIATE SCHOOL

Week ending March 25th, 2016

What's New?

MARCH MADNESS!

It's Spring Break in Waunakee but our team is working hard and making great progress! We finished up the remaining slab pours in the kitchen, cafeteria, and gymnasium. The classrooms have finishes and ceilings going in. Exterior work is ramping back up with operable windows being installed, cast stone and metal panels starting.

The Past Two Weeks

- Acoustical Ceiling Grid at the 2nd floor
- Cast Stone at exterior
- Drywall, taping, and painting
- Millwork cabinets, tops, and locker bases
- Mechanical penthouse and kitchen rough-ins

• Coming Up in the Weeks Ahead

- Gym rough-ins
- Metal panels
- Drywall remaining 1st floor classroom section
- Curtainwall and glass at the front entry and cafeteria
- Resilient flooring at 2nd floor B area

The front entry to the building – curtainwall and glass will be set next week

Speaking of March Madness, we are getting ready for basketball courts, the slab on grade was poured today

Trying new technology – Findorff concrete crew trying out a new power laser screed to finish the concrete.

Did you know? The only man made structure visible from space is the Great Wall of China.

EXECUTIVE SUMMARY REPORT

WAUNAKEE SCHOOLS: NEW INTERMEDIATE SCHOOL

Standing in Chris Hetzel's new Principal office with views through the Front Office.

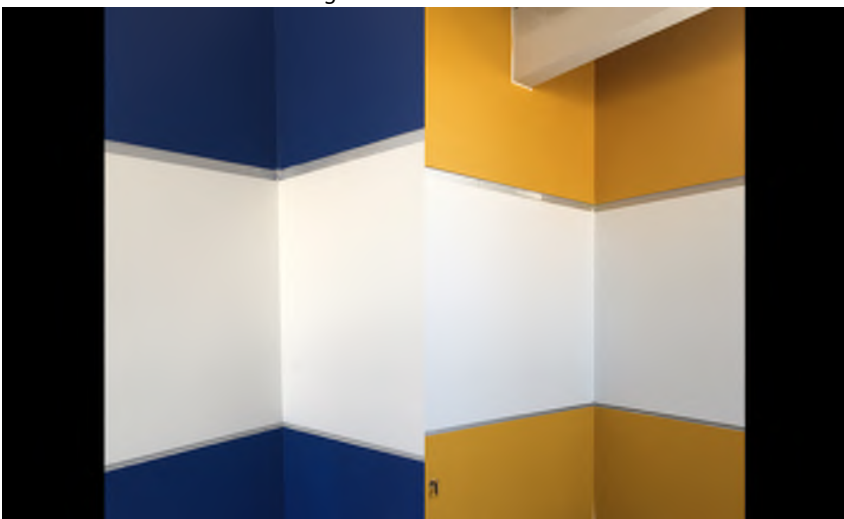

Setting switchgear in preparation for permanent power.

A typical 'Village' collaboration space. Acoustical ceiling grid installed

We are headed back outside, cast stone being set on the exterior of the building

NEW COLORS! Colors help to identify what area of the building you are in. More to come on the themes of each classroom 'Village'
