

Dear Youth worker,

We wanted to reach out to you all to give a little extra information about who we are and what we do at Bethel Horizons. We are a summer camp located in Dodgeville, Wisconsin. Our mission is to foster a better understanding of God, self, others and nature. With that being said, we strive to make Horizons a place where all feel welcome and safe **no matter their background**.

The typical price of a week at camp is \$450, but we provide a very wide range of "camperships" to kids that would do well, enjoy and benefit from camp! **We want to make sure that no child misses out on the experience of camp due to lack of finances.** There is an opportunity to apply for a "campership" within our registration. The minimum amount that a family would have to pay is \$25 for a week at camp. We work with families, social workers, counselors and psychologists to make sure that we are able to facilitate the best week at camp for all who attend!

We have included a few copies of our brochure to spark some interest within some of your kids and families!

If you are interested in a personal visit from one of our staff members to facilitate more conversations about Bethel Horizons, or would like more brochures, please reach out to us!

Visit our website, <http://www.bethelhorizons.org/what-we-do/summer-camps/>, for camper and staff recruitment promotional videos as well as an electronic version of our brochure.

Registration for summer camp can be found at:

www.app.campdoc.com/register/bethelhorizons or through our website.

Again, we strive to make sure every child has an equal opportunity to attend camp, that is why we make sure to have "camperships" available every year. See our website for more information on "camperships".

If you have any comments or questions please contact Molly, our Program Director, at molly@bethelhorizons.org or Sadie, our Registrar/Office Manager, at bethelhorizons@bethelhorizons.org.

We hope to hear from you, your kids, and your families soon!

Sincerely,

Molly Czech, MSW
Bethel Horizons Program Director
