

New Madison area basketball program

Now forming 3rd-12th grade boys and girls travel basketball teams for 2019 Spring/Summer season.

For more information please visit us on www.wisconsinsoyl.org

Saving Our Youth Lives Inc is a local non-profit creating youth sports teams to help provide life skills, positive activities, and mentorship for youth in southern Wisconsin. We are currently forming girls and boys travel teams for 3rd-12th grade for the 2019 Spring/Summer season. We are only looking for dedicated players and parents who are willing to commit for the season.

We will also have tryouts in January and February 2019 for our Spring/Summer "AAU" season teams, which will also include high school teams. The Spring/Summer season is March- August.
