

Have a happy, healthy, & confident child!

You know activity is an important part of your child's physical and emotional wellbeing. But with so many options out there, it can be overwhelming trying to figure out where to start. You may even be feeling a little frustrated trying to choose something that will both keep your child's interest and fit into your busy family schedule. We totally get it.

The 2019 Tri 4 Schools Triathlon Series is the perfect way for your child to **build healthy exercise habits, have fun, and give back to your school at the same time!**

Find the triathlon that works for you and register online at tri4schools.org.
