2. To base personal decisions upon all available facts in each situation; to vote an honest conviction in every case, unswayed by partisan bias of any kind; thereafter, to abide by and uphold the final majority decision of the Board.
3. To remember at all times that the individual has no legal authority outside the meetings of the Board, and to conduct relationships with the school staff, local citizenry and all media of communication on the basis of this fact.
4. To resist every temptation and outside pressure to use the position of Board member for personal benefit or to benefit any other individual or agency apart from the total interest of the School District.
5. To recognize that it is an obligation of the Board to understand and evaluate the educational program of the schools as well as to plan for the business of school operation.

6. To bear in mind under all circumstances that the primary function of the Board is to establish the policies by which the schools are to be administered, but that the administration of the educational program and the conduct of school business shall be left to the employed superintendent and his/her professional and support staffs.
7. To welcome and encourage active cooperation by citizens, and community organizations with respect to establishing policy on school operations.
