

DISTRICT READING GOALS AND EARLY LITERACY PROGRAM

Waunakee Community School District

District Reading Goals

The District shall maintain a program of reading goals for grades kindergarten to 12. Any changes to the District's reading goals shall be approved by the Board.

1. Upon a request made by the Board or at any other time that the District Administrator determines that it would be beneficial or prudent for the District to revisit its existing goals, the District Administrator shall propose specific amendments to the District's reading goals for the Board's consideration.
2. In developing a proposal to maintain or modify specific District reading goals, the District Administrator or a designee shall solicit input from the Director or Elementary Curriculum and/or the Director of Secondary Curriculum.
3. Following approval by the Board, the District's current reading goals shall be a component of (1) the District's annual evaluation of the reading curriculum and (2) the District's regular and ongoing assessment of reading-related needs across all instructional levels.

State-Mandated Early Literacy Reading Readiness Assessments

The District Administrator, or a designee who is licensed either as a reading specialist or as an administrator with curricular and instructional responsibilities, shall (1) determine the annual dates (or date ranges) during which the District will administer the early reading screening assessments required by state law and (2) establish procedures to facilitate and monitor the timely administration and scoring of the screening assessments and, as applicable, any state-mandated reading diagnostic assessments. All District-selected dates for the administration of reading readiness assessments must meet the timing parameters found in state law.

Early Literacy Remediation Plan (effective beginning in the 2024-25 school year)

The District will maintain a written, Board-approved Early Literacy Remediation Plan, which shall be developed under the oversight of the District Administrator. The District administrator shall ensure that the Director of Elementary Curriculum and/or Director of Secondary Curriculum is directly involved in formulating the substantive content of the plan, including any future substantive amendments. Board approval of substantive plan amendments is required.

As required by state law, the District's current Early Literacy Remediation Plan shall be posted on the District website.
