

# Support Staff Work Load

Policy #545.1

Waunakee Community School District

Page 1 of 1

The Director of Human Resources, in consultation with appropriate administrators, will establish work schedules for the support staff in keeping with the standard workday and workweek and in conformance with such reduced time schedules for various classifications of employees as approved by the Board of Education.

The work year for the various classifications of employees shall be as set forth in the current employee guidelines.
