Except as provided in this policy or by another Board policy, no person may sell or promote the sale of goods or services on school district property, including property to which the District controls access when such property is temporarily being used for District operations or for a District-sponsored purpose.

Further, pursuant to state law, it is unlawful at all times and without any exception for any District employee to receive for his/her personal benefit anything of value from any person other than the District to sell, promote the sale of or act as an agent or solicitor for the sale of any goods or services to any student while on District property or at a District-sponsored activity.

The following are authorized exceptions to the above-stated general prohibition against the sale of goods or services and against the promotion/solicitation of such sales:

1. When approved in advance by the relevant building principal, the Director of Business Services, or District Administrator, sales (or promotions of sales) of goods or services by students, student groups, employees, or others for a school-related or educational purpose.
2. District-approved fundraising activities and event concessions.
3. The sale of food and beverages through the District's school meal program.

5. A person who, in advance, has made an appointment to meet with one or more District employees for the purpose of discussing the sale, or possible sale, of goods or services to the District.
 - a. All such persons, upon their arrival, shall check in with the main office of the building in which their meeting is scheduled and follow the District rules surrounding school visitors.
 - b. In addition, all third-party entities and individuals seeking to sell goods or services to the District are expected to obtain advance authorization from an administrator or supervisory-level employee before contacting any non-administrative and non-supervisory employee with whom the seller has no pre-existing business relationship.
 - c. In person, third-party solicitations for the sale of goods or services to the District that are not pursuant to an advance appointment or directly related to a pre-existing business relationship with the District are strongly discouraged. Such solicitations shall be directed solely to the main District Business Office, where the third party may or may not be approved to meet with any representative of the District.

As an example, a building principal may permit employees to place notices of items of personal property that are for sale on a bulletin board that is located in a staff lounge.
9. Any other sales or promotion activity that the District Administrator or an administrative-level designee has approved in advance. However, the administration shall not approve any such activity directed toward sales to students or their parents or guardians that lacks a clear school-related or educational purpose.
