

The Board of Education appreciates the place and importance of an educational system in its greater environment, which includes other organizations and institutions dedicated to education. It believes that much is gained through cooperative endeavors with other agencies.

In order to make a maximum contribution to education, within the District and to other educational agencies, the Board establishes these broad goals:

- 1) To encourage liaison with other educational agencies.
- 2) To supply educational services to and/or share with other educational agencies.
